City Listings by Room Type & Property Type

(Drill Down for Detail)

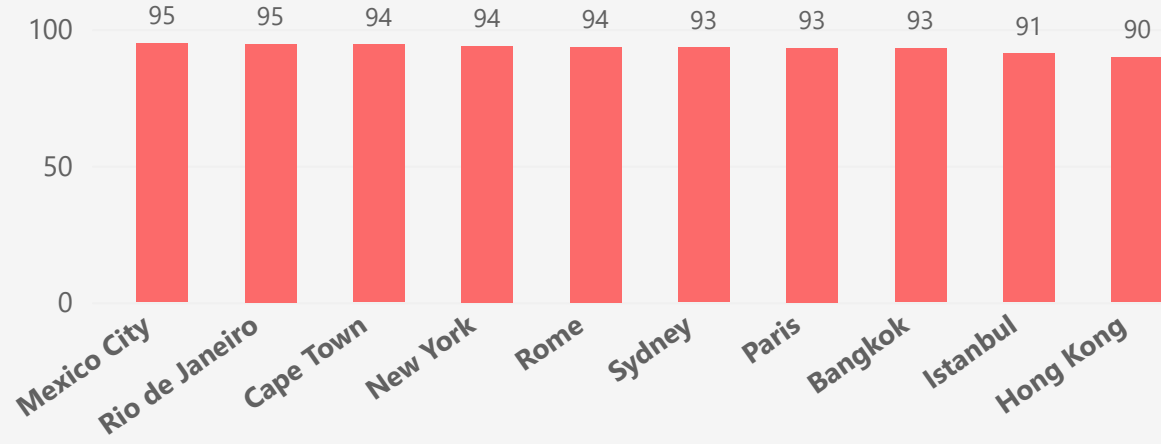

Europe, N American Cities have the most Listings and market share, while Global South Cities lags behind in both. With Average Ratings close to 100, it shows overall Listings must be providing satisfactory services. 30% Listings with no reviews need to be inspected. Since customer prefer entire place for booking, more market share in this field can be explored with current Average Price.

Price vs. Guest Capacity by Room Type

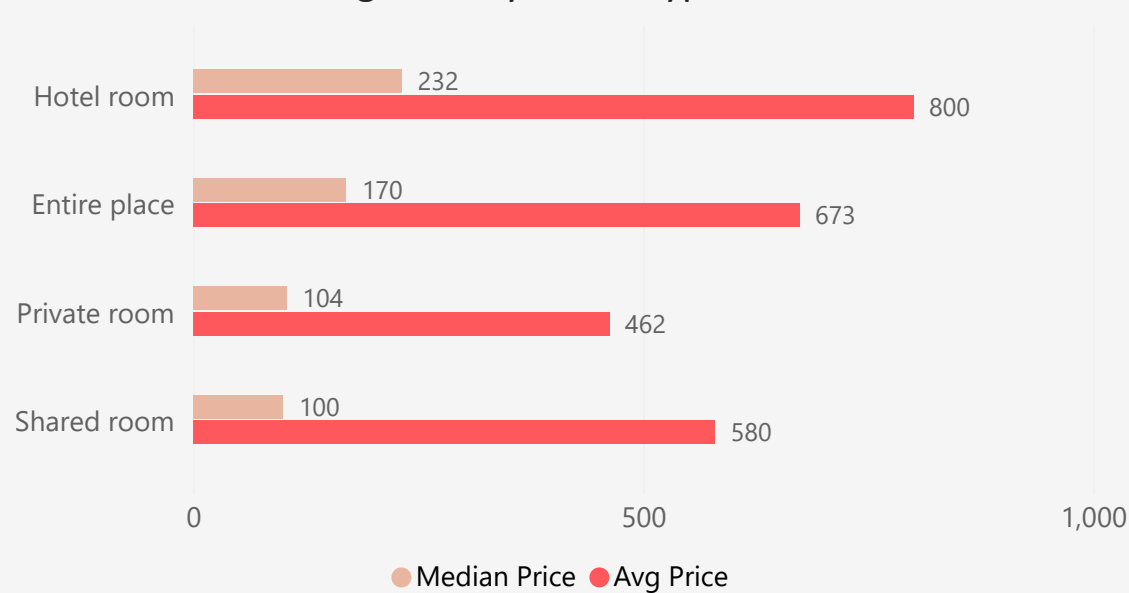

People are choosing **price** over number of rooms. Previous data showed overall people prefer booking **Entire place**. Possible bookings can be for private, family, corporate party, holidays as accomadate room touched **15 rooms** also.

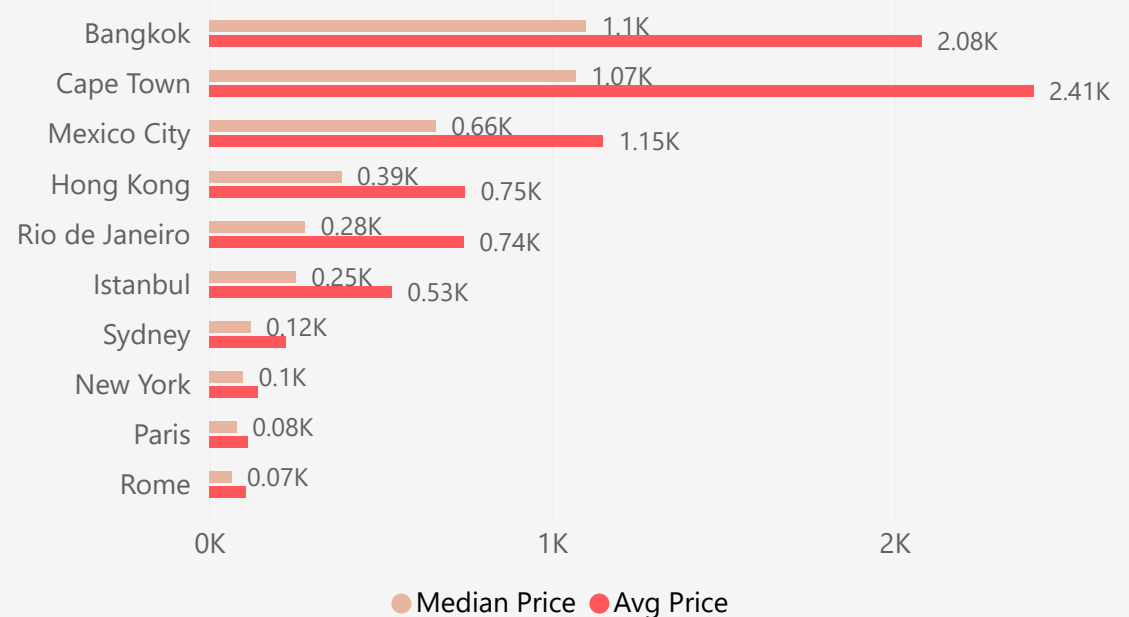

Listings by Price Category & Room Type

Median Price and Avg Price by Room Type

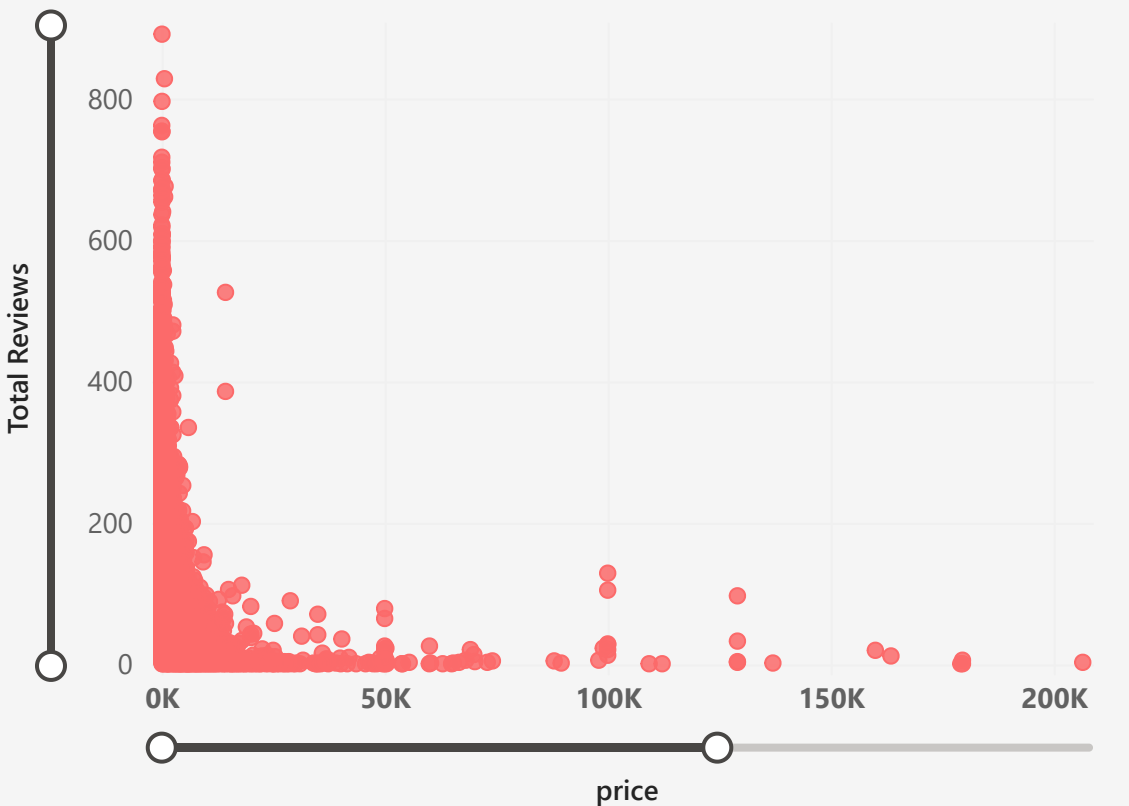

Median Price and Avg Price by City

Median Prices gives clear picture why Global South have less **Market Share**. Probable reason can be its Per Capita Income. Research work is need on these region Prices without affecting **Average Ratings**.
